Giles County, VA Floodplain Development Permit Application

This form is used for any development in a Special Flood Hazard Area as shown on the community's effective FEMA Flood Insurance Rate Map. Development is defined as any man-made change to improved or unimproved real estate, including but not limited to buildings or other structures, mining, dredging, filling, grading, paving, excavating or drilling operation or storage of equipment or materials. Applicant must obtain all other necessary federal, state or local permits before this permit can be issued.
